Footliters Traveling Playhouse: *The Vanishing of the Jolly Roger* is a week-long workshop for children interested in exploring the exciting world of theatre! The camp is designed for students of all backgrounds, experience levels, and training. Anchors aweigh! When the Jolly Roger vanished into the Bermuda Triangle three hundred years ago, the world thought it was gone for good...until now. Join this swashbuckling pirate crew on an island adventure as they learn what is possible when we work together. Registration is first come, first served and everyone that signs up will be cast. We're excited to have young actors climb with us on a theatrical voyage this summer! Visit us online at [www.CoralvilleArts.org/FTP](http://www.CoralvilleArts.org/FTP).

**Children must commit to attending all rehearsals and the final performance to participate in Footliters Traveling Playhouse.**
